Below are urgent Financial Aid timelines and new policies. DON'T LOSE YOUR STUDENT LOANS! Check your DSU email often for special messages and updates.

**URGENT NOTIFICATION:** By federal mandate DSU is going to direct lending.
- This means that **all returning students who have a Stafford and/or PLUS Loan** must complete a **new** Master Promissory Note and Entrance Interview between **now and June 30** to avoid any interruption of their financial aid.
- For information visit [www.desu.edu/financialaid](http://www.desu.edu/financialaid)

**NOW**

- If you are currently a student at DSU and you failed to pre-register between March 30 and April 15, a **$50.00 Failure to Pre-Register Fee** was applied to your student account on **April 16**. You will have until September 7 to register for classes.
- NOTE: Graduate students are exempt from this fee.

**April**

- **May 1** is the last day for current students to complete and submit a housing application with fee. You will need to show proof of registration for classes and verification that you have filed a FAFSA. (You may use the Student Aid Report or Financial Aid Waiver as proof if you did not need to file a FAFSA.)
- All students may enroll in an AMS Payment Plan as early as **May 1** in an effort to satisfy their financial obligations to the University. Contact the Office of Student Accounts at (302) 857-6240 or [studentaccounts@desu.edu](mailto:studentaccounts@desu.edu) if you have any questions.
June

- Financial Aid will begin generating award notification emails to your DSU email account on **June 15**. This email will tell you what your financial aid package will be for the 2010–2011 academic year. Use this information to help you determine how you will satisfy your financial obligations to the University.

July

- By **July 10** all payment arrangements (including AMS Plans) must be made with the Office of Student Accounts.
- Payment for tuition, fees, housing and meals are due **no later than July 15**.
- **On July 30** your housing assignment and meal plan will be removed if you have not made satisfactory payment arrangements with the Office of Student Accounts. You can be reinstated, but you will be charged a **$150.00 non-payment fee**.

August

- **August 23** is the last day to register for classes online.
- **NEW THIS YEAR!** On **August 23** ALL STUDENTS who have not satisfied all of their financial obligations to the University will be removed from classes, housing and meal plans. There is a $150 reinstatement fee that will be required for any student who was dropped for non-payment.
