Enrollment Policies and Procedures

General Registration Facts
Students are officially registered for courses only when they have complied with all of the procedures applying to registration, including the full payment of tuition and fees, and the validation of the student I.D. Tuition and applicable fees are payable at the time of registration for all students. Delaware State University uses an e-mailing method to send bills (e-bills) to students’ D.S.U. e-mail address, but cannot assume responsibility for them viewing the bills. If students do not receive bills on or before the published removal for non-payment date, it is the student’s responsibility to contact the Office of Student Accounts at (302) 857-6240 to obtain information relative to their bill or go online at my.desu.edu to view their Account Summary by Selected Term.

Early Registration
All students returning to Delaware State University following the current semester of residence should pre-register during the period prescribed in the Academic Calendar. Returning students who do not pre-register prior to the on-site registration will be assessed a $50.00 failure to pre-register fee. An additional $50.00 will be assessed if students register during the late registration period.

On-Site Registration
Each year, one week prior to the start of classes for the fall and spring semesters, Delaware State University gives non-enrolled students an opportunity to register in person. During this three-day period, new students who did not enroll during one of the Summer New Student Orientation sessions and returning students who did not register prior to this period are advised by their academic departments’ designees and permitted to register. All billing issues must be handled during this period to avoid being removed from courses on the removal for non-payment date and the non-payment and reinstatement fees must be assessed.

Late Registration
Any student who did not pre-register or participate in on-site registration may register during the Late Registration Period. The Late Registration period starts for Summer Session I on May 21, 2013 and ends on May 24, 2013; for Summer Session II, it starts on July 1, 2013 and ends on July 5, 2013. The Late Registration fee is $50.00.

Drop/Add
To drop or add a course, students may obtain approval from their advisor or department chair and go online and adjust their schedule or obtain a DROP/ADD form from the department’s chair. The form is to be turned in to the academic department through the late registration period and to the Registrar’s Office thereafter, bearing the required signatures. Students may drop or add courses as indicated on the Academic Calendar. A drop fee of $10.00 per course will be assessed after late registration. Students who DROP courses which result in a credit on their student account will receive a refund in accordance with the University and federal regulations/policies. Students requesting to drop or add classes after the last day to drop or add courses must obtain the signature of the academic dean as well as their instructor and advisor/chair.

Web Registration & Drop/Add
It is required that all degree-seeking students consult with an advisor prior to registering or making changes to their existing schedules. Students may have their academic departments continue to enter their registration and schedule changes (drop/adds) or they may register and make schedule adjustments on-line. To obtain their “alternate pin number” for registering on-line, students must see their academic advisor after building their course schedule. The University’s Student Services website is at my.desu.edu.

Official Withdrawal (302-857-6375)
All withdrawals from the University are initiated in the Office of Records and Registration, Administration Building, first floor.

Academic Computing Office (302-857-7028)
In order to use any computer resources (including PCs, labs, printers, network connections and hard disk storage) on campus, students will need to have a valid D.S.U. student computer account (login name and password). They may apply for an account in the Bank of America Building, Room 313. The hours are from 8:30 a.m. to 4:30 p.m. Students should allow five business days for the Academic Computing Office to process their application.
**Overload Fee Policy**
For all course overloads, undergraduates will be assessed a fee equivalent to the cost-per-credit for each hour that exceeds 19 credit hours each semester.

**Non-Payment Date**
Bills for the summer sessions I and II are respectively due by May 13, 2013 and June 14, 2013. If a student is not paying in full, satisfactory payment arrangements made with the NBS Tuition Payment Plan must be in place. Any student who does not adhere to this date will be assessed a “Non-payment Fee” of $150.00 and a hold will be placed on their student’s account.

**Removal for Non-Payment**
Students’ registrations, housing and meal assignments will be removed due to non-payment of room, board, tuition and fees in accordance with the Academic Calendar. The removal for Non-payment Date are May 20, 2013 for summer session I and June 21, 2013 for summer session II. Once students are removed for non-payment, a hold will be placed on their student account to prevent them from registering and they will be required to pay a “Reinstatement Fee” of $150.00 and $150 non-payment fee for each session in which they are removed.

**Documentation for Non-Attendance**
All enrolled students are required to attend each class at least once during the first week of classes in order to verify attendance in the class. Failure to verify attendance in a class before the end of the first week of classes will result in the course being deleted from the students’ schedule.

**Academic Credit**
Credit will not be granted for a course in which the student is not officially registered.

### Title IV Recipients

The 1998 Reauthorization of the Higher Education Act requires Delaware State University to calculate the Return of Title IV Funds on all Federal Aid recipients who withdraw (OFFICIALLY OR UNOFFICIALLY) from classes on or before the 60 percent attendance point in the semester.

The federal formula requires a return of Title IV Aid, if the student received Federal Financial Assistance in the form of a Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Academic Competitive Grant, SMART Grant, Teach Grant, Federal Plus Loan, Perkins Loan, Federal Subsidized Stafford Loan or a Federal Unsubsidized Stafford Loan, if a student withdraws on or before completing 60 percent of the semester. The percentage of Title IV Aid to be returned is equal to the number of calendar days remaining in the semester divided by the number of calendar days in the semester. Scheduled breaks of more than four consecutive days are excluded.

If funds are to be returned after completing the return of Title IV Aid calculation, Delaware State University is required to return its portion of unearned Title IV Aid to the appropriate federal programs within 45 days from the date the student withdraws from classes. A hold will be placed on the account and all University services will be withheld if the account reflects a balance. DSU will only return grant funds required by the student.

STUDENTS WHO STOP ATTENDING ALL CLASSES WITHOUT OFFICIALLY WITHDRAWING WILL BE SUBJECT TO THE RETURN OF TITLE IV FUNDS AT THE END OF THE SEMESTER, BASED ON THE LAST DATE OF ATTENDANCE.
Notification of Rights under FERPA
For Delaware State University Students

The Family Educational Rights & Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the University official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request an amendment of the student’s education records for which the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Delaware State University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, DC 20202-4605

Directory Information
The Family Educational Rights and Privacy Act permits the release of directory-type information to third parties outside the institution without written consent of the student provided the student has been given the opportunity to withhold such disclosure.

The University releases, upon inquiry to third parties outside the University, directory information without written consent of the student. Directory information includes name, address, telephone number, college, class, major, dates of attendance, and degree and honors and awards conferred. Students may withhold directory information by going to the Office of Records & Registration.

Note: While the withholding request may be made at any time, students wishing to have directory information withheld from the student directory should submit their requests no later than three weeks prior to the first day of fall semester classes.

Your Scholastic Assessment Test (SAT) or American College Test (ACT) scores are required for undergraduate admission to Delaware State University. Please be sure to submit your test scores with your completed application. If you have not taken the SAT or ACT, register to do so with your high school (not applicable to transfer students, high school graduates who have been out of school for five or more years, and high school GED diploma recipients). International students from non-English speaking countries must submit TOEFL scores. Scores should be forwarded to the Office of Admissions. In order to qualify for the program, students must be recommended by their high school principal. Interested students should contact their high school counselor for instructions, obtain a letter of recommendation from their principal, and have a written approval from their parents. A cumulative grade point average of 2.5 or better is also required. Early Bird applicants may enroll for no more than six (6) credit hours per semester. Students whose cumulative high school grade point averages are 3.0 or better on a 4.0 scale are entitled to six (6) hours of free tuition per semester. All students will still be responsible for fees—technology, parking, etc. Students cannot enroll in the Early Bird program if they have graduated from high school or will graduate within the term. All applications should be directed to the Office of Admissions.

Returning Applicants

Procedures for Applying for Financial Aid

Candidates for admission to the University who wish to apply for financial aid should begin the process by filling out the Free Application for Federal Student Aid (FAFSA) which is available online. In order to qualify for any of the U. S. Department of Education’s (ED) grant, loan, or work-study programs, borrowers must complete the FAFSA. The Financial Aid Office awards scholarships to undergraduate and graduate students on the basis of financial need, residency status and other criteria specific to the scholarship program.

2012-2013 Deadlines for Priority Processing for Registration and Specific Financial Aid Programs

- Summer 2013 - March 10, 2013
- Fall 2013 - March 15, 2013
- Spring 2013 – October 10, 2013

Students who do not meet the priority deadline indicated above will only be considered for the Federal Pell Grant, the Federal Stafford Loan, and for dependent students, the Federal PLUS Loan.

You may file the FAFSA electronically on the web at www.fafsa.ed.gov. Make sure that you and/or your parents sign the FAFSA using your Federal Student Aid PIN. You can apply for a PIN at www.pin.ed.gov.

For more information of financial aid awards and procedure, please consult the “Financial Aid Award Guide” at www.desu.edu/financial-aid-forms-publications

Satisfactory Academic Progress

Federal regulations require Delaware State University to establish and apply reasonable standards of satisfactory progress for the purpose of the receipt of financial assistance under the programs authorized by Title IV of the Higher Education Act.

Before you register, review the Satisfactory Academic Guidelines for receiving Federal Financial Aid found on http://www.desu.edu/satisfactory-academic-progress-sap.

Types of Aid Available

- **Grants** - Federal Pell Grants are for students enrolled in a degree program for at least six semester hours of credit. In some cases students may be eligible for Pell Grants for less than half-time attendance. This grant from the federal government does not have to be repaid.
- **Federal Supplemental Education Opportunity Grants (FSEOG)** - are only for students in a degree program at least six (6) credit hours or more. This grant, administered by Delaware State University, does not have to be repaid. First come, first served awarding.
- **Aid to Needy Students** - The Aid to Needy Students grant is available to Delaware residents who attend Delaware State University as a full-time student and have an unmet need. The applicant must submit the Free Application for Federal Student Aid results to the Financial Aid Office by March 15, 2013. This grant does not have to be repaid. First come, first served awarding.
- **Federal Work-Study** - is a federal part-time employment program for full-time or part-time students. To be eligible for Federal Work Study, students must complete the Free Application for Federal Student Aid (FAFSA).
- **Federal Perkins Loans** - Funded by the federal government are available at 5% interest (for full-time students).
- **Federal Student Loan Program** allows students to borrow money to pay for their education. The three types of loans are:
  - **Federal Direct Subsidized Stafford Loans** - These are subsidized loans, that the federal government will pay the interest on the loan while the student is in school and during specified deferments, but the student must demonstrate financial need to receive the loan. Students are required to be enrolled at least half-time or 6 credit hours or more. To be eligible, students must complete the Free Application for Federal Student Aid (FAFSA).
  - **Federal Direct Unsubsidized Stafford Loans** - Students can get these unsubsidized loans regardless of need but will have to pay all interest charges from the time of disbursement. Students are required to be enrolled at least half-time or 6 credit hours or more. To be eligible, students must complete the Free Application for Federal Student Aid (FAFSA).
Federal Direct PLUS Loans - Parents of a dependent student with an approved credit application can borrow a PLUS Loan to pay for the student's education. Students are required to be enrolled at least half-time or 6 credit hours or more. To be eligible, students must complete the Free Application for Federal Student Aid (FAFSA).

If Aid Exceeds Tuition and Fees

When federal grants and/or loans awarded for the semester through the Financial Aid Office cover more than tuition and fees, the DSU Student Accounts Office prepares a check approximately 14 days after the drop for non-payment period. The funds are to be used for books, supplies and other related expenses. Refer to the Refund Policy Section on Page 11 or contact the Office of Student Accounts at (302) 857-6240. Institutional and state funds that exceed the tuition, fees and book charges are not released to the student. These funds are reduced.

Before Registration

1. Undergraduates must submit the results of the Free Application for Federal Student Aid (FAFSA) by the priority deadline dates of March 15, 2013 for the fall semester and October 10, 2013 for the spring semester and submit all required documents as requested to the Financial Aid Office.

2. Students awarded scholarships from outside sources must submit the check or a scholarship notification letter to the Office of Student Accounts to have the funds credited to their account.

Other Guidelines

1. All financial aid recipients are subject to the Delaware State University refund schedule in accordance with federal and state financial aid regulations (see Refund Schedule). This means that a proportionate share of the money must be returned to the Financial Aid Program(s), including the Federal Direct Stafford Student Loan Program and the Federal Direct PLUS Program, if a student withdraws or is dismissed during a refund period. Further information and applications are available in the Financial Aid Office, Administration Building 1st floor or online at www.desu.edu/student/financialaid.

2. Reaffirmation of loan eligibility includes establishing that the student has maintained satisfactory academic progress, has at least halftime enrollment status and has progressed to the next grade level for increased annual borrowing amounts. Students who do not progress to the next classification level must borrow at the prior year’s level. For example, a student with 0-29 earned hours is classified as a freshman. A freshman may borrow $3,500.00 per year but may not borrow at the next level ($4,500.00 per year) until he/she obtains a sophomore status (completion of at least 30 earned credit hours).
